Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Feeding Tampa Bay Solar/Wind Energy Efficiency Program in fiscal year 2023. The entity to receive funding for this project is Feeding America Tampa Bay Incorporated located at 4702 Transport Drive, Building 36, Tampa, FL 33605. The project would be a valuable use of taxpayer funds because it would enhance energy efficiency and achieve sustainability for a new cold storage facility at an organization that services more than one million Floridians facing food insecurity. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

*Kathy Castor*
